

Digital Wireless Camera System

- Ideal for car, truck, camper, caravan or trailer
- Weatherproof camera
- Automatic activation when reversing
- Extra-long antenna
- Expandable with extra camera's
- SD Support for record and playback

DRC7040

Name	
DRC7040	
Art.no.	20243
EAN	8717809202437

Camera	
Operating Voltage	12/24V DC
Current consumption	≤300mA@12V
Image sensor	1/2.9 inch Color CMOS FULL-HD
View Angle	85 °±10°
Resolution	1920x1080 Full HD
Minimal illumination	≤ 2 Lux
RF transmission distance	> 300 m
IP-Class	IP67 / waterproof
Max. E.I.R.P	23dBm (200mW)

Monitor	
Input Voltage	12/24V DC
Standby Current	≤180mA@12V
Operating Current	≤350mA@12V
LCD display screen size	7 inch
Operating temperature	-10° - 50° C

Accessories	
Mounting set	1x
Monitor power cable	1x
Suction mount monitor	1x
User manual	1x
3M stickers for dashboard mount	1x
